

Wildman's Summer 2017

“And we know that God causes everything to work together for the good of those who love God, and are called according to His purpose.” (NLT) Romans 8:28

Here I am Lord Send Me Is 6:8

Greetings from Austria. We just wanted to keep you updated on what's been going on this summer.

First of all we just wanted to thank all who so generously gave towards our trip to America and all who have been praying for us.

As you all know this summer we were planning to take a trip to the States. Due to the delay of Brenda's Visa, we unfortunately have had to postpone our trip. We have been waiting for 6 months now for the approval of her Visa and have heard nothing. Because of this Brenda is not able to leave the country. We thank everyone who has been praying and standing in agreement with us for favor and this process to be sped up. We don't know the why's but we know that God is faithful and He is working everything together for the good. We ask you to continue standing with us.

We are believing that we will have her visa before Christmas and be able to go visit family, friends and churches.

If you didn't get a chance to be a part of our America trip we are still raising support for it since we haven't met our goal yet.

Finding Joy In The Journey

On another note, our Summer here in Austria has turned out to be a very nice one. Even better than we thought it would be since we had to change our plans. God is so good. Andre had a chance to go to a youth camp, where he made new friends. We see the hand of God moving in him and his relationships. He's made some connections that have made this summer awesome for him!!

We were able to go to the mountains for a few days this summer with FCG Wels Church retreat with Pastor Fred and Judy Lambert. Can you say "AMAZING"? The weather was perfect and the fellowship exceptional. The views, well pictures don't do justice so you'll just have to come visit.

We've done a lot of swimming this summer, wether at the lake or City pools. Especially since we had very high temps. Not normal for Austria so we decided to buy the monthly swimming city card and it has been "AWESOME", we pretty much went swimming everyday!! And we just discovered all the other places we can also use it. I love my city!! Even though we thought we might of missed out on a lot this summer by not being in the States, God has been so good and we didn't feel like we missed out, especially the kids.

We've gotten to know many people and the kids have made friends and are keeping in touch with them far and near. Thankful for His faithfulness!! Even when you think you will miss out on something God makes provision above all that we could of asked for or imagined. We've played lots of board games, drank coffee, went to the park to ride bikes, drank more coffee, sewed a doll, celebrated Brenda's Birthday and she still continues to receive presents.

Audrey was able to go to a Kids camp and it was life changing. She continues to grow in her relationship with God and also continues to make friends.

To end the summer, we hosted a Back to School Party at the Church. We had a movie & popcorn for the kids in Children's Church. They looooooved it!! After church we had Hotdogs, snacks, dessert and lots of fellowship. I believe this is going to be a good year for all the students!!

As we count it all Joy, we are looking forward to what God has in store for our Family, and Church Ministry. More to come this fall. Stay tune, until next time.

Giving Oportunities:

- Support for Airplane Tickets to the US.

- Support for Andre's School.

- Support for Children's

Ministry Crafts, Curriculum and a Laptop.

If you would like to support us you can send a check to: Rhema Bible Church Missions, PO Box 50126, Tulsa OK 74150 Please write "Steve Wildman" on the memo line We have also started a "GoFundMe" - fundraiser on facebook.
